Welcome to 2016 at Campsie Public School

Monday February 1, 2016

Dear Parents, Carers and Friends,

A very warm welcome to 2016 at Campsie Public School. I hope you all had a great holiday break with family and friends and are well-rested and ready for a great year of learning at our dynamic school. Firstly can I thank all community members for making me feel so welcome last week as I commenced my role as Principal. I believe the role of Principal to be a very special one and it is a genuine privilege to be amongst community members – students, staff, parents and friends who are so obviously committed to and justly proud of their school. I am passionate about collaborative educational leadership to ensure our students reach their full potential, irrespective of cultural background or academic ability.

The rich cultural diversity and well-respected language programs at Campsie Public School, as well as our commitment to embracing twenty-first century technologies and the explicit teaching of literacy and numeracy provide our students with a wide variety of high quality learning programs from kindergarten to year six. The wide range of extra-curricular programs in sport and the creative arts also provide them with unique opportunities beyond the classroom.

It looks as if we will be forming thirty classes in 2016 and it is very important for me to get into classrooms and get to know our students. I am very much looking forward to working closely with my dedicated staff and all community members to continually improve our students' learning outcomes.

Please do not hesitate to come and see me in person to introduce yourself and provide me with any additional information about our community that you would like to share. You are also most welcome to make an appointment to see me through the office or by telephoning 9718 3083.

Our first P&C meeting for the term is on Wednesday 24 February, 2016 at 7.00pm. Please come along and hear what the P&C is all about and how you can put your ideas across so that we can work closely together in the best interests of our students.

Thank you again.

Warm Regards,

Joanna M. French
