Principal's Message

Dear Parents and Carers,

A very warm welcome to the start of week seven, term one at Campsie Public School. This edition of the Principal's message provides reminders about two important parent meetings to be held this week. We look forward to seeing many of you at one or both meetings.

2017 Annual Report

The 2017 Annual Report which celebrates the many and varied achievements of our school in 2017 is now published on our school's website. Additional copies are available in the school office and will be provided to all parents attending the P&C meeting during the last week of term.

Staff Professional Learning

The Campsie Public School staff provide the best possible education for your students. They are in the throes of completing 4x 3 hour 'twilight sessions' on our new school plan for 2018-2020. This means that at the end of the year, both students and staff will finish school on Wednesday 19 December 2018.

Changed School Entry Arrangements from Tuesday 13 March 2018 until Friday 16 March 2018

From tomorrow until the end of the week, please note the changed entry arrangements from the Evaline Street hallway while painting work is being completed. You need to enter the playground via the Kindergarten hallway and not through the double doors near the office. The changed arrangements are clearly indicated through signage and are in the interests of the safety of all on the site. Please be good enough to support us while these temporary changes occur.

Parent Discussion Meeting about Assets

Mr Jeff Siebels, Director School Infrastructure NSW from the Department of Education has kindly agreed to come out and meet with any interested parents to discuss building and assets matters pertaining to our school site. If you are interested in being part of this discussion, we look forward to seeing you on Monday 12 March 2018 at 7.00pm in the school library. We hope to see many of you then.

P&C Special Meeting

The P&C will hold a Special Meeting to fill the Executive Committee positions that are still available. This Special Meeting will take place on Thursday 15 March at 7pm in the Campsie Public School Library. We look forward to seeing many of you then.
